

Premium home cinema

Demand the best. Engineered for discerning viewers, Optoma's premium home cinema projectors set a new standard for image quality and color accuracy with flexible options for installation and connection with home theater systems. >>

Home entertainment

See the big picture. Large room or small, Optoma fits your home theater plans—and your budget. Dive into exciting thrillers, touching romances, epic documentaries, sporting events and other HD media in breathtaking color. Experience a larger-than-life scale you can't get from a flat-panel TV. >>

Gaming

Get gaming on a grander scale. Optoma projectors work with today's top consoles, portable devices, and gaming PCs to bring any game to life. With lightning-fast response times, vivid colors, and massive graphics, you'll see the beads of sweat on enemy faces. While celebrating your victory, you can also watch your favorite movies and sports for the ultimate viewing experience. >>
